Forecast for Sunday 25 Sep 2022

Weather: A dry and chilly start to the day with sunny spells and a small chance of the odd light shower. There may be some temporary morning mist patches in valleys. Skies will cloud over in the afternoon ahead of a band of persistent rain arriving in the evening, turning heavy at times. Winds will increase in the evening time too, becoming blustery by the end of the day.

Chance of cloud-free hill tops above 600m: 90%, becoming 20% from 23:00.

Low cloud and visibility: Early mist or fog in valleys may cover some slopes and summits as it lifts and clears through the morning. Cloud will generally remain above the summits, and will lower to around 500m by the evening.
